il calore del travertino, le sue venature e la sua struttura naturale, tre colorazioni diverse ed una pratica combinazione di formati modulari.

the warmth of travertine stone, with its veining effects and natural texture. three different colours and a practical combination of modular formats.

autentiche essenze di legno si incontrano per dar vita a un bosco di doghe in gres estremamente fedeli alla materia naturale. l'utilizzo di materie lucide e matt, fa sì che le caratteristiche tecniche vadano di pari passo con un incredibile effetto tattile e visivo.

authentic wood species come together to create a forest of porcelain planks that are faithful to the natural material. the use of glossy and matt materials means that the technical characteristics go hand in hand with an incredible tactile and visual effect.
