woody

Natural roots, creative soul

Linee, texture e colori danno vita a una superficie effetto legno calda e piena di carattere. Woody reinterpreta la materia naturale con personalità, attraverso tonalità vibranti e dettagli grafici. Un'estetica decisa, arricchita da decori espressivi, per ambienti vivi e originali.

Lines, textures, and tones come together in a wood-look surface with warmth and character. Woody reimagines natural material with personality, through vibrant colors and expressive details. A bold aesthetic enriched by graphic decors, for spaces that feel alive and original.
